## DEPENDENT VETERANS ARE 641,900

More Than Half Million Are Discharged With Disabilities

Pensions May Reach \$325,000,000 Annually Is Claimed

(By Associated Press)

New York, May 6.—There are 641,900 veterans of the world war dependent on the bounty of the United States for future existence at an annual cost of \$325,000,000, according to Dr. W. C. Rucker, chief medical adviser of the Bureau of War Risk Insurance who reports this number discharged from the army and navy with disabilities. These figures, said to represent the first authentic tabulation, were made public today by the Committee for Aid to Disabled Veterans and referendum on the bonus.

## WOOD LEADING BY 10,000 VOTES

(By Associated Press)

Indianapolis, May 6.—General Wood with a total of 81,574 votes apparently is assured of a plurality of almost 10,000 over Senator Johnson, who has 72,432 on the face of unofficial returns. Two hundred and four precincts are still missing.

Lowden received 35,683 and Harding 19,216.

## FLOUR REACHES NEW HIGH MARK

(By Associated Press)

Minneapolis, Minn., May 6.—Flour made a new high record here today with an advance of 50 cents a barrel. An advance yesterday in wheat with a good steady demand was the reason given for the increase.

Today's quotation, \$16.00 a barrel, represents an advance of \$2 a barrel in a month.

## FELS A PLEA OF ABATEMENT

(By Associated Press)

Indianapolis, May 6.—A plea of abatement based on instructions given by Judge Anderson in United States District Court to the special federal grand jury which investigated the coal situation was filed by Charles E. Hughes, special counsel for the United Mine Workers of America today at the arraignment of miners and Indiana operators indicted on a charge of conspiracy to violate the Lever act.

Columbus, O., May 6.—Former army aviators from all parts of the state as well as pilots now in the service were assembling here today for the first annual convention of the Associated Aero Clubs of Ohio.

LAKESIDE HART HIT  
PORT CLINTON—Under the new state ruling by which all hotels or rooming houses where five or more rooms are rented, are compelled to have state licenses, Lakeside people will be hard hit as nearly all of the residents of Lakeside have roomers during the summer months.

## SECRETARY DANIELS GETS FUNDS TO COMMEMORATE DOVER PATROL

Major Wrench presenting 6,000 pound check to Secretary Daniels.

Major Evelyn Wrench, secretary of the English Speaking Union, recently presented Secretary of the Navy Daniels with a check for 6,000 pounds, part of a fund collected in England by popular subscription to commemorate the works of the Dover patrol, which kept the Straits of Dover clear of German submarines during the war. This fund will be used to erect a monolith on government land in New York harbor.

## BENSON ADMITS TALK WITH SIMS ABOUT BRITISH

Declares Wrong Interpretation Placed On Conversation

Simply Warned Sims To Be Careful In Official Action

(By Associated Press)

Washington, May 6.—Admiral Benson, wartime chief of naval operations, told the Senate Naval investigating committee today that both before and during the war he had warned Rear Admiral Sims not to let his friendship for the British unduly influence his official acts.

Benson said he could not deny that he had told Admiral Sims "not to let the British pull the wool over your eyes, we would as soon fight them as the Germans," as he could not recall all the details of the interview but he added that a wrong interpretation had been placed on the statement attributed to him by Admiral Sims and that as a result he had been done a grave injustice.

## COX SEEKS TO AID FARMERS

(By Associated Press)

Columbus, O., May 6.—Governor Cox has instructed the State Public Utilities Commission to give prompt attention to every request for assistance in transportation of agricultural implements, fertilizers and other supplies needed by farmers.

Many complaints have been made relative to delayed shipments due to the railroad strike.

## DESIRES PROBE OF ALL EXPENSE

(By Associated Press)

Washington, May 6.—Investigation of all presidential campaign expenditures, both republican and democratic was proposed in a resolution introduced today by Senator Borah, republican of Idaho.

## SEEK CHANGES TO SOLVE THE ALIEN PROBLEM

Immediate Changes in Immigration Laws Are Sought By Committees.

Wilson and Post Said To Be Lenient Toward Radicals

(By Associated Press)

Washington, May 6.—Immediate amendment of the immigration laws was considered today at a special meeting of the Senate Immigration Committee called as a result of the ruling yesterday by Secretary Wilson that membership in the communist labor party is alone insufficient cause for deportation of aliens.

Chairman Johnson of the House Immigration Committee was the first witness. He criticized Secretary Wilson and Assistant Secretary Post and urged prompt passage of the House bill extending the anti-alien laws.

Senator King, democrat, denounced the communist labor ruling stating that it was apparent "that we should transfer deportation powers from the Labor Department to the Department of Justice."

As a result of the ruling the course of the Department of Justice as to future action against radicals will not be determined until Attorney General Palmer has had opportunity to study the opinion.

## ALLIANCE MAN LOSES MONEY

(By Associated Press)

Alliance, O., May 6.—Henry J. Windle, a civil war veteran, aged 71, was murderously assaulted at his home near Beloit last night, when in his garage, and robbed of nearly \$200 by an unknown assailant.

Polish Infantry in Close Contact With Enemy Over Great Semi-Circle of Death.

Reds Using Machine Guns And Artillery

(By Associated Press)

Berne, Switzerland, May 6.—Reports that two Russian bolshevik armies have been routed and virtually destroyed in the course of the Polish Ukrainian offensive against Kiev seem to be confirmed by dispatches received here.

## POLES ADVANCING

(By Associated Press)

Warsaw, Poland, May 6.—Fighting between the Poles and Bolsheviks for possession of Kiev, capital of the Ukraine, continues day and night.

In the entire semi-circle of the Kiev bridgehead, the Polish infantry is in contact with the Bolshevik infantry. The Poles are slowly pushing back the enemy in the face of machine gun and artillery resistance.

Today's Polish communiqué announces that two red divisions, which were cut off from the retreating Bolshevik army last week, were annihilated.

## UNION LEADER MAKES PROTEST OVER CHARGES

Reports On Threatened May Day Outbreak Arouse Unionist.

Aims Criticisms at Department Of Justice

(By Associated Press)

Washington, May 6.—Assailing what he described as a "despicable propaganda against labor" President Healy, of the Brotherhood of Stationary Firemen and Oilers charged before the Labor Board today that "a high official of the government has been used to more thoroughly deceive the people into believing that because a man works for wages he is an enemy of our government."

Mr. Healy did not name the official but much of his long prepared statement to the Board had to do with the announcement by the Department of Justice concerning threatened demonstrations and violence on last May Day.

## COLORADO WILL PICK DELEGATES

(By Associated Press)

Pueblo, Colorado, May 6.—The republican state convention to name four delegates at large and alternates to the national convention will convene here this afternoon.

## NEBRASKA WOMEN EX-WAR WORKERS NOW IN POLITICS

Mrs. Lulu T. Andrews (above) and Miss Edna Perrin.

Political parties in Nebraska are drafting war workers for executive positions in the presidential campaign organizations. Mrs. Lulu T. Andrews, of Lincoln, who was a Y. M. C. A. canteen worker has been made chairman of the woman's division of the state Republican convention. Miss Edna Perrin who was overseas a year in canteen service has been appointed state organizer in the Pershing-for-president campaign.

## DILUTED MILK IS QUICKLY DETECTED BY NEWEST DEVICE

Dr. Julius Hovort at his testing machine.

Dr. Julius Hovort, Minnesota state chemist, has perfected a device known as the cryoscope by which, within eight minutes, one can tell just what amount of water has been added to milk. The invention is based on the principle of the freezing point test. No suitable method of testing accurately and quickly had been invented previous to this one.

## STATE TROOPS ARE ON GUARD MURDER TRIAL

Kentucky Guards Occupy Court House to Keep Order.

Former Minister Up for Murder Of Neighbor

(By Associated Press)

Brookville, Ky., May 6.—The Covington, Kentucky, home guard company arrived here this morning to do guard duty in connection with the trial of Thomas Markesberry, former pastor, charged with the murder of Jesse Glenn.

The circuit judge here requested the troops as a precaution against possible rioting. Markesberry has continually denied implication in the shooting of Glenn, whose body was found buried near Markesberry's farm.

## DELAWARE AGAIN IN THE LIMELIGHT ON SUFFRAGE

(By Associated Press)

Dover, Delaware, May 6.—Encouraged by the passage yesterday by the state senate of the resolution to ratify the suffrage amendment, suffrage leaders were here in force today to work for similar action in the lower house and make Delaware the 36th state to ratify.

Action by the house will probably be postponed for a week or ten days, suffrage leaders realizing that just now they need at least three more votes for passage.

## JOHNSON LEAD OVER 156,000

(By Associated Press)

San Francisco, May 6.—Belated returns from Tuesday's primary today had increased to 156,899 the lead of Senator Johnson over Herbert Hoover.

Speedy Termination of Carranza Rule Seen by Observers As Rebel Advance Continues.

New Regime Will be More Friendly Toward Foreigners Is Assurance.

Mazatlan Soon May be Under Fire of Rebel Artillery

(By Associated Press)

Washington, May 6.—Official interest in the development of the political phases of the sweeping revolution in Mexico has been stimulated by government reports, which continue to indicate a rapid weakening of Carranza's grip.

Although any recognition by this government of the rebel movement, other than that accorded any defacto force, was said to be impossible, it is known that agents of the State Department have studied carefully the promulgated program of the rebels and the published assurances of other leaders of the revolt that a more friendly attitude toward foreigners will be adopted.

Agents of the revolution here have refrained from making any overtures to the United States government, and it is understood no plea for special consideration will be made until the success of the rebel movement is assured.

## MAZATLÁN MAY BE ATTACKED

(By Associated Press)

Nogales, Arizona, May 6.—General Flores, revolutionary commander in Sinaloa, will attack Mazatlan, the principal seaport of the state, with a formidable force in a few days, according to Americans arriving here today from that state.

## CONNECTICUT DEMMIES WANT BOOZE INCLUDED

State Convention Goes On Record As Favoring Beer And Wines

Delegation Will Not Vote As A Unit

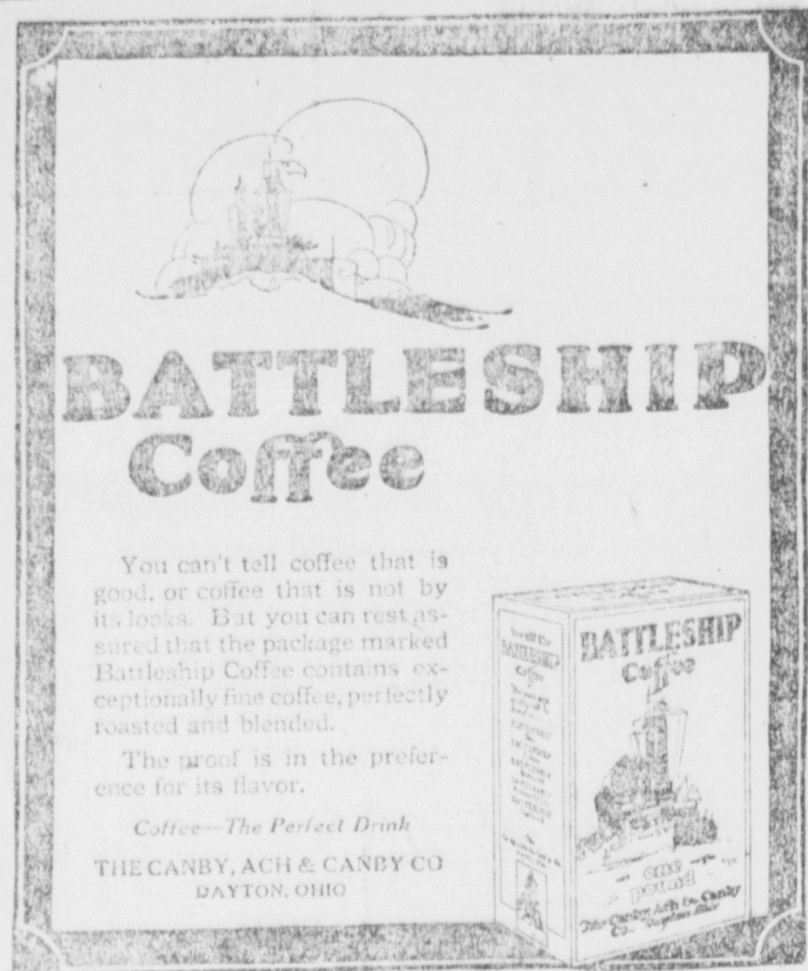

(By Associated Press)

New Haven, Conn., May 6.—Revision of the Volstead act so as to permit manufacture and sale of beer and light wines was favored by the democratic state convention today.

A recommendation of the state central committee that the Connecticut uninstructed delegation to the national convention be instructed to vote as a unit was rejected.

HARDING REACHES CAPITAL  
Washington, May 6.—Senator Warren G. Harding, of Ohio, returned to Washington Wednesday from a two weeks' campaign tour in Ohio and Indiana in the interest of his presidential candidacy.

### UNION TOWNSHIP VOTERS REJECT BOND PROPOSAL

Light Vote is Cast And Proposal is Defeated by Margin of Six Votes.

Expect Another Election to be Called in the Near Future.

Union township district school voters defeated the proposed bond issue of \$45,000 at the polls Wednesday by a vote of 59 Yes to 65 No.

Only a very light vote was cast. Jefferson South and Lower Paint failing to take a hand in the election to any degree while the ballot in Union West and Union East was not nearly up to full strength. Out of a voting strength of between three and four hundred 124 ballots were counted by the judges.

The vote in the four precincts was as follows: Union West, 46 against, 19 yes. Union East, 13 against, 48 yes. Lower Paint (Brook School District) 1 against, none yes. Jefferson South, 5 against, 1 yes.

The money was to have been used for the erection of a new school building in the eastern part of Union Township School District and also for the purpose of building an additional room to the Chaffin School No. 2.

When the votes were counted at the Court House where the ballots of Union East and Union West were received it was found that the sister precincts differed but one vote 58 to 59 against.

Little interest was displayed in Lower Paint. But one vote was cast. Jefferson South showed hardly more enthusiasm, six ballots being cast. It is understood another election will be called in the near future.

### PLANNED ATTACK ON SUB BASE

Washington, May 5.—An attack in force on German submarine bases by the combined American and British naval forces had been agreed upon before the war was ended, Admiral W. S. Benson, former chief of naval operations, disclosed today in testimony before the Senate Committee investigating the Sims-Daniels row.

### LOCAL CITIZENS MAKING HEADWAY IN CLEANING UP

Citizens are beginning to obey the order of Mayor Dahl in cleaning up about their premises and it is expected that at the close of the two weeks set apart for this work that the city will present a much more cleanly appearance.

Not only is the clean-up ridding the city of a great amount of refuse, and making it more attractive, but the Health Department is active and many unsanitary places about premises in the main residence part of the city are being abated as a nuisance.

Persons having such nuisances to contend with are asked to apply to Health Officer Byron who has that work in charge, and if the complaint is covered by city ordinances and health regulations, it will receive attention without further delay.

In the meantime everyone is expected to obey the request of Mayor Dahl and clean up.

### GET FERTILIZER FROM CAVERNS

(By Associated Press.)

Vienna.—(By Mail)—Deposits in the great Alpine caves are being developed as fertilizer. They consist largely of bird lime and bone dust of birds and animals throughout the ages and are estimated to contain twelve percent of phosphates. In one great cave near Mixnitz alone, it is said, about 50,000 tons are available. The government is undertaking the work of digging and distributing the cave earth.

### STATISTICS SHOW CANCER MORTALITY GREAT IN OHIO

Approximately one out of every eight women and one from every eleven men over the age of 40 years died from cancer in Ohio last year. This is the reason that "Cancer Week" beginning Sunday, May 9, will be devoted to a general dissemination of information on this dread disease.

Tuberculosis is no longer dreaded as equivalent to a death sentence. This is because the public has come to understand the disease and how it is cured. The same effort is now being made to have all intelligent adult people understand the elementary facts about cancer. Once the people know these facts the general dread of cancer should change to a more sensible and rational feeling of hope. "Vigilance is the price of safety."

The facts about cancer which sensible people should know are few and can readily be told, declares the United States Public Health Service, which suggested the campaign for Ohio.

## Lesson in Optometry

## LESSON NINE

Explain again just what the effects of eye strain are in most cases.

The effects vary with the extent of the strain, and the extent of the strain depends to a considerable degree upon the amount of the error of vision. Most people who suffer from persistent eye strain experience a variety of annoying symptoms.

Do glasses correct these conditions?

Yes, almost at once in many cases.

Would people be wise to learn the condition of their eyes even though they have no reason to suspect that they are abnormal?

Yes, because only by an examination can the condition of the eyes be known, and in many cases a hidden defect may be handicapping a person greatly.

Then in some cases eye defects may be present without the knowledge of the patient?

Yes, in many cases a person grows to adult age without learning the condition of the eyes.

## FARM NOTES

Soybean Campaign For Eastern Ohio

The high price of cotton-seed meal oil meal, and other concentrates has stimulated a campaign among eastern Ohio farmers to grow more legumes and thus produce for themselves much of the protein needed in feeding operations. The practice is also expected to improve the fertility of the soil.

At a series of recent conferences held over the eastern part of the state, two points have been clear: (1) That in order to increase the amount of such legume as clover, alfalfa, and sweet clover, applications of lime.

generally lacking in this section, are essential. (2) that to increase the amount of forage from permanent pastures, some system of fertilization involving the use of both lime and acid phosphate is important. The growth of these crops and the application of lime and acid phosphate were commended.

Soybeans, however, with a comparatively low lime requirement, it was thought will aid materially in meeting the immediate need for larger quantities of nitrogenous feed. County agricultural agents and other leaders are, therefore, suggesting that farmers in eastern Ohio grow the soybeans as a demonstration this year and to secure seed—which is scarce—for a larger acreage next year.

Farmers to Grow Their Own Sweets

With the increasing prices of sugar, many Ohio farmers are expecting to grow a patch of sorghum to supplement the family needs for sweets. The seeds may be drilled a week or two after corn planting in rows three or three and one-half feet apart and from three to six inches in the row. When checked, from six to eight grains may be planted to the hill. The seed should not be planted more than an inch deep. From two to four pounds of seed will be required per acre.

Jail The Rooster

"All roosters should be penned or sold as soon as the hatching season is over," say E. L. Dakan, a poultry specialist at the Ohio State University. "If the bird is a valuable one, he can be put in a coop. In most cases the rooster should be disposed of. Young males make better breeders than old ones and the shortest and surest path to breed improvement is to buy a high grade cock for next season. Roosters are not necessary to egg production."

FESS QUOTES COX

Washington, May 6.—Suggestions made by Governor James M. Cox, of Ohio, Democrat, in regard to means of reducing the cost of operating the Federal Government were included in

a speech made in the House Wednesday by Representative Simeon D. Fess, of Ohio, Republican, on the increased cost of governmental expenses.

## SAFETY AND GOOD RETURNS

1. Since the earliest of recorded transactions by mankind FARM MORTGAGES have been recognized as the safest and most staple form of investment known. That is why Life Insurance Companies prefer FARM MORTGAGES for the investment of their Trust Funds.

2. THE FARM MORTGAGE COMPANY OF CINCINNATI uses its capital exclusively for loans secured by mortgage on IMPROVED AND PRODUCTIVE FARM PROPERTY. The Company makes loans on first mortgages for large or small amounts, AND WILL SPECIALIZE ON FARM MORTGAGES SUPPLEMENTAL TO THE GOVERNMENT LAND CREDIT. Government loans are restricted to 50 percent of the land valuation and 20 percent of the improvements; the average Government land credit is about 40 percent of the total farm valuation. THE FARM MORTGAGE COMPANY will supplement this credit up to 90 percent of the total valuation of the farm. The Company will thus have an ample equity protection of not less than 40 percent of the total valuation, which is very conservative.

3. The Farm Mortgage thus obtained will be sold by the Company direct to Insurance Companies, Savings Banks and Investors, or they will be deposited with a Trust Company and our FARM MORTGAGE BONDS or FARM MORTGAGE CERTIFICATES issued on them. The proceeds of the sale will be loaned over again, duplicating the procedure and the profits for the Stockholders.

4. Earnings for dividends and surplus are assured by the usual rate of interest paid by the borrower, and by the customary fees for financing the transaction. RAPID TURNOVER OF CAPITAL IS THE SECRET OF THE LARGE AND STEADY EARNING POWER OF FARM MORTGAGE COMPANIES. Similar Companies in other cities are paying dividends ranging from 7 percent to 30 percent per annum, with constantly increasing value of their stocks.

We Recommend Farm Mortgage Stock For Safety and Good Returns

5. The Company is incorporated under Ohio Laws; authorized capital \$1,000,000, all Common Stock; par value of shares \$100. No bonus or watered stock has been or will be issued by the Company. As the stock is all Common, you thus share IN ALL the net earnings of the Company. The stock is NONTAXABLE in Ohio; nonassessable and free from the Normal Federal Income Taxes.

6. FARM MORTGAGE stock can be purchased for cash, or 20 percent down and the balance in four monthly payments. Seven percent interest per annum, payable semi-annually in July and January, out of surplus earnings, is allowed you from the date of all cash or installment payments on stock subscriptions. This interest payment is in addition to any dividends that may be declared on the stock. You are invited to call at our office, to write or telephone for a circular about FARM MORTGAGE Stock.

## Political Prospects

The conclusion of the voting in the pre-convention presidential preference primary elections leaves those who insist upon speculating about the probable nominee at Chicago as far at sea as ever.

The primary voting and delegate selection, however, seems to have established several facts to the satisfaction of most impartial observers.

General Leonard Wood will, unless there is some later development, now unexpected, lead all other candidates on the first ballot. Senator Hiram W. Johnson of California will probably be second to General Wood in total votes at the outset. Neither will, however, enter the convention with enough pledged delegates to secure the nomination. The other avowed candidates will divide the remaining instructed delegates.

After the first test of strength the unpledged and uninstructed delegates will begin to cast about for an available candidate and, in groups, after having discharged their pledge, the instructed delegates will begin to scatter their votes.

It seems to be generally believed that neither General Wood nor Senator Johnson will be nominated and that either a "dark horse" or one of the primary candidates who has not made so strong a showing will be chosen by compromise among the leaders.

Senator Harding's poor showing in the primaries has eliminated him as a leader in the early balloting, but his courteous conduct all through the campaign has made him a favorite among the leading candidates and there is still a possibility that he may be the recipient of a compromise nomination at Chicago even should he announce his withdrawal from the race.

## Knox Speaks

Senator Philander C. Knox of Pennsylvania opened the fight on Wednesday in the Senate for the adoption of a resolution declaring peace between the United States and Austria.

All thinking Americans are desirous that peace be formally and legally decreed. We are not, any of us, so particular about the method in which it is done nor the department of government which takes formal action. On the matter of bringing about a formal declaration of peace and a re-establishment of commercial and diplomatic arrangements with late enemy nations we have all, excepting the politicians, passed the stages of quibbling about form or with whom the credit shall rest.

There is, however, grave doubt as to the authority to declare peace in any other way than that provided in the constitution.

Senator Knox, lately announced as a candidate for president, has not helped to smooth the way to final action by his bitter attacks on political opponents.

Like so many others have done before, Senator Knox seems to be seeking credit and political advantage rather than real results. The existence of that spirit is what has deadlocked the nation on the peace treaty.

## Dollar Day

Next Tuesday is dollar day in Washington. It's fine to have a bargain time again—a time when folks earnestly and interestedly, pursue the elusive offerings of advantages in merchandise buying.

Of course these dollar day events which Washington merchants, in co-operation, arrange for are not intended, primarily, as clean-up sales of stocks or for getting in extra money on special sales. They are more of a reunion of sellers and buyers, a time when the buying public and the merchants, in all lines, get together and meet to renew business and social acquaintance.

To be sure there will be bargains at all the stores—big bargains and wonderful chances to get what one needs at advantageous prices. The merchants are so arranging stocks and prices that the dollars of the buying public will perform miracles in purchasing power. There will be wonderful and unexpected surprises in unlooked-for places and stocks.

That's the way the merchants are going to entertain their friends and patrons in this big prosperous section of Ohio.

We all remember dollar day one year ago when the county seat of Fayette was a big reunion ground where people met and shopped and looked about for dollar surprises which were not hard to find then and they'll not be hard to find next Tuesday either.

Dollar day is a great occasion anywhere—if it's a real dollar day—and especially is it a big event here, where the stores are so superior and where the buying public is so prosperous and where we have the real dollar day idea and spirit.

## POETRY FOR TODAY

THE JEWEL SHOP

The corner jewel shop's aglow,  
With gems in many a flashing row \* \*  
Before me strings of moon-white pearls  
Wait for the necks of laughing girls;  
And some the while they wait are dreaming  
How swarthy divers, sleekly gleaming  
Nakedly dive with wondrous ease  
To pluck them from the Sulu Seas \* \*  
While others think of olden days  
Beneath the Persian Gulf, where rays  
Of sunlight never stream; where gloom  
Was huddled in a watery tomb;  
Where floated by the lurking squid;  
Where forms grotesque and lazy hid \* \* \*  
Nearby, with phosphorescent glow,  
Are opals fresh from Mexico;  
And there, what crimes or stories cling  
In Burma rubies glittering?  
While here are precious stones in rings  
The ransom of what vanished kings?  
Those emeralds in vivid greens—  
They sparkle on what loving Queens?

But while I stand as in a daze,  
I watch the rows of diamonds blaze \* \* \*  
The windows fade \* \* \* Long  
Agoes back,  
I see the jungles tower black  
With monstrous ferns and massive fronds  
Tangling the twilight over ponds \* \*  
What Dinosauria wallows past  
And leaves the forest all aghast?  
What mammoth lizard from his lair  
Thrashes the trees and bellows there?  
Sudden \* \* \* I see Convulsions start  
Ripping the jungles all apart!—  
I hear fierce eruption tear;  
I hear volcanoes roaring there;  
And then within the fiery din,  
The ferny forests tumble in! \* \* \*

—Ages upon the ages rush  
And on the forests pile and crush—  
Till now, within this window's blaze,  
Forests with all their buried days—  
Forests, with all their sunset, glow,  
Prisoned in diamonds, row on row!  
—Louis Ginsberg.

## COW GIVES 50 TONS MILK AND BUTTER FAT

Ohio Colantha Bakker, a Holstein cow at the Ohio State University has produced more than 100,000 pounds of milk and 4,310 pounds of butter since March 1, 1912. In addition she has produced eight valuable calves. The value of the butter and milk alone at present prices is estimated at \$2,000.

The record has been made under ordinary conditions. With the exception of one year while on test, she has been milked twice each day and has been cared for along with the herd. Her semi-official record is 19,396 pound of milk and 837 pound of butter in one year.

Although recently crippled for three months with contracted tendons, she has never produced less than 40 pounds of milk per day and is now giving 45 pounds.

In accounting for the persistency of economic production, Prof. C. T. Conklin says that the cow comes from a strain of high producing cattle and has received a balanced ration in which home grown feeds have figured most prominently.

The ration that this cow has received has generally consisted of about 35 to 40 pounds of corn silage per day, 12 pounds of clover or alfalfa hay, and one pound of grain for every three pounds of milk. This grain ration is made up of 150 pounds of bran, 150 pounds of ground oats, 150 pounds of corn and cob meal, 100 pounds of gluten meal, 50 pounds of oil meal, and 50 pounds of cottonseed meal.

## RANDOM NOTES

## SOCIAL : PERSONAL MENTION : CLUBS

The Philathea Class with their teacher of the First Presbyterian Church spent a most enjoyable evening at the home of Mrs. Margaret Noble. Following the usual business routine a social hour with plenty refreshments was enjoyed.

Mother hearts went out to the youngsters at the boys' industrial school at Lancaster, April 26-7 when the Central district conference of the Ohio Federation of Women's Clubs was held in that city. Club women will not soon forget the splendid program given by the boys at the industrial school and the parade drill with a 150-piece band made up of the little fellows who are wards of the state. It had all been planned by Miss Helen Orr Brown, Coshocton, district vice president, and Mrs. R. W. Hastings, president of the Lancaster federation with their "aids-de-camp," and that part of the program dealing with the industrial home formed a lasting impression and a touching prayer for better living. Miss Genevieve Cline, Cleveland, state chairman of legislation, gave what was thought to be by many the most telling address on the convention program.

The organization of the League of Women Voters, formed at the New Southern Hotel in Columbus Wednesday marked an epoch in Ohio suffrage history, although, contrary to earlier expectations, the Ohio Suffrage Association is not disbanded and will conduct a campaign for ratifica-

tion if necessary. Mrs. Upton and other officers of the old organization were re-elected to carry on the campaign for suffrage. Ex-members of Congress John Lentz, a guest at the dinner of Tuesday night, said that "should the women of Ohio send Harriet Taylor Upton to the U. S. Senate, Ohio would be represented better than it has been in the last generation."

Mrs. Upton was presented with a diamond and platinum bar pin by the Association for her years of service.

The policy of the new organization was outlined by Miss Elizabeth Hauser, regional director of the Fourth district for the new League, was outlined as essentially non-partisan, although women would be urged to belong to parties, in order to obtain better results.

"The league is more interested in policies than in parties," she declared. "It will adopt planks that all women can support."

The national league is particularly ardent in support of education for all children and aliens, the reduction of the high cost of living by equitable distribution as well as in increased production, and for a large appropriation for the women's bureau at Washington. Although the wet and dry issue has not so far been discussed in the formation plans (Miss Hauser expressed the opinion that "the organization would be dry.")

"That there was plenty of brains in the new league was evident from the discussions of various points in the Constitution, which were fluently taken up pro and con with pronounced executive ability. Miss Florence Allen, assistant prosecuting attorney of Cleveland, was on the floor with a resolution which embodied opposition to compulsory military training.

"We should have had war on a number of occasions," Miss Allen declared, "if we had had compulsory military training and been loaded with a large standing army."

The war was won, she said, "by the initiative and morale of the American forces and not by military training."

"We must keep our heads high and our heart brave," she concluded, "and keep pure the heritage of non-militarism, which is the greatest gift of our constitution."

The League strongly endorsed this resolution.

Mrs. Maud Wood Park, of Boston national chairman, made a brilliant address following the luncheon at which were seated hundreds of Ohio Suffrage workers.

She urged women to abstain from malice, bitterness, contempt and vituperation and to "avoid falling into the state some men have fallen into."

She emphasized that the suffrage association has not stopped its work and is carrying on a strenuous campaign in Connecticut, in which women from each state are taking part, as well as in Delaware, Vermont and North Carolina.

"The new league will not be a woman's party, but rather a clearing house for women of all parties through which they may work and bring about legislation particularly beneficial to women and children," she explained.

The first national convention of the League of Women Voters probably will be held at Cleveland next fall, it was announced.

The Woman's Missionary Society of the First Baptist Church met at the home of Mrs. Lottie Wells on Leesburg avenue, Wednesday afternoon, with Mrs. John Draise, Mrs. John Case, Mrs. Perry Walters and Mrs. Sherman Bishop assisting hostesses.

Mrs. C. R. Ferguson was in charge of the devotionals, and letters from both home and foreign missionaries were read. Miss Ruth Wells added a pretty piano solo to the program. Mrs. H. E. McCrea read a very interesting paper entitled, "Why the Woman's American Baptist Foreign Missionary Society, that had been prepared by Mrs. Harry Wood.

A much enjoyed social hour with refreshments closed the afternoon.

In compliment to her mother Mrs.

W. H. White, of Logan, and sister, Mrs. Herbert Mason, of Erie Pa., who are her guests, Mrs. L. E. Miller gave a charming three table Bridge Wednesday evening.

The home was a-bloom with peach blossoms and lovely little baskets of violets and Spring flowers graced the card tables.

An elaborate three course supper followed an enjoyable game.

Mrs. Willard S. Willis entertained the Thursday Bridge club at a beautiful luncheon Thursday.

Mrs. Angeline Mills, Mrs. H. N. Vesey, Miss Gertrude Gardner, Miss Minnie Light, Miss Edith Gardner and Miss Addie Chenoweth were hostesses in the May meeting of the Woman's Foreign Missionary Society of Grace M. E. Church, Wednesday afternoon, at the Mills' home on Circle avenue.

Mrs. F. M. Kennedy presided at the meeting Mrs. C. S. Haver and Mrs. Alice Adams conducting the opening exercises. Reports from the women who attended the convention in Frankfort were given.

Mrs. Ella Blessing program leader, very ably introduced the afternoon's subject "Malaysia." Miss Irene Tobin who also gave valuable information regarding the conditions in this country, favored the women with a reading, "The Clarion Call."

Thirty women were in attendance at the meeting, the names of nine new members being added to the Roll Call. Mrs. F. E. Haines, Mrs. Elizabeth Towless, Mrs. Isaac Sollars, Mrs. William Sturgeon, Mrs. Frank Garinger, Mrs. Bennett King, Miss Mary Cline, Mrs. Joseph H. Harper and Miss Clara Thurston.

Mr. Bennett King joined the society as an extension member.

Mart L. McCoy was the host Wednesday evening at a very delightful dinner given to the members of the Spotted Poland China Association of Fayette County, and the members of the Fair Board at the Cherry Hotel.

A very fine ham, specially sugared from the host's own Spotted Poland China herd was the central figure of an excellent dinner, following which the host started rolling the post prandial talk which had to do with Spotted Poland China matters and especially with reference to the exhibits of this class at the coming County Fair. The association has raised nearly four hundred dollars for premiums, to which the Fair Board will add at least two hundred and fifty dollars more, and the association will also hang up something of interest to Boys and Girls Club members exhibiting in the S. P. C. class. All of these premiums excepting in one instance, will be open to all exhibitors, one class being a special for members of the association and Boys' and Girls' Club.

About thirty men including Prof. Harbaugh and Stanley Gray, the youngest member of the association, owner of Spotted Poland China stock and a very live wire, enjoyed the hospitality of Mr. McCoy and participated in the discussion of matters of Spotted Poland China interest for an hour or more following the dinner.

All the guests joined in voting Mr. McCoy an ideal host.

Mr. and Mrs. Roy DeWitt and little daughter, Mary Jean came over from Dayton, Wednesday evening to visit Mr. and Mrs. Harry DeWitt, also Mr. and Mrs. Lynn Smith.

Mr. W. A. Story, of Chillicothe visited his son, Mr. Willard F. Story and family, Thursday.

Mrs. Mary Shepler, of Greenfield, is visiting her sister, Mrs. E. S. Yates on the Waterloo pike. Miss May McClimans was also Mrs. Yates guest Wednesday.

Mr. and Mrs. John Haffler arrived from Chicago, and Mr. John Robinson from Cincinnati, Thursday to attend the funeral of Mrs. Frank D. Bradley.

Mr. Wert Shoop returned Tuesday day from his spring trip through the west representing the P. Hagerty Shoe Co.

Mrs. L. P. Howell motored down from Columbus with Dr. Howell for the day.

Miss Elda Severs spent Wednesday in Columbus.

Messrs. Charles Johnson, Arthur Whitely and John Bateman motored to Newark, Wednesday evening for the Wrestling match.

Dr. and Mrs. A. M. Bush, Dr. C. V. Lanum and Miss Del Lanum were among Wednesday's motorists in Columbus.

Mrs. Myrtle McCrea and two sons, of New Holland, spent Wednesday in Columbus.

Miss Jeanette Weaver was the guest of Mr. and Mrs. Walter E. Hutton in Frankfort over Wednesday night.

Dr. and Mrs. Carey Persinger, Mrs. Grant Hays, Mrs. Harriet F. Woodward and Mrs. Regina U. Staubus were motoring visitors in Columbus Wednesday. Mrs. Woodward visiting with her son, Mr. Ernest Woodward, and family, to see her new grandson.

Mrs. Charles Minshall was called from Columbus by the death of Mrs. Frank D. Bradley, and will remain over for the funeral Friday afternoon.

Mrs. Ione Bryant was a visitor in Columbus Wednesday.

Messrs. Frank S. Jackson, R. R. Kibler, George Worrell, Arthur Burgett, G. C. Kidner, D. H. Barchet and Irvin Bell motored to Newark Wednesday to see the big wrestling match.

Mrs. V. J. Dahl returned Wednesday evening from a visit with her brother, Mr. Elmer Hukill, in Columbus. Mr. Hukill's condition shows no improvement to the regret of relatives and friends in this city. Mayor Dahl joined his wife for the day Wednesday.

Mr. Ed H. Merrill, called to this city from Parkersburg, West Va., by the serious illness of Miss Gladys Bucher, who is slowly recovering from an operation at the Cherry Hill Hospital, is the guest of Mr. and Mrs. Joe Bucher on Gregg street.

Mrs. Cynthia Greiner and daughter, Mrs. R. M. Hughey, spent Tuesday and Wednesday in Cincinnati attending the May Festival.

Mr. Clifford Peddicord was a business visitor in Columbus Wednesday.

Miss Grace Ogle spent the past two days in Columbus.

Miss Martha Hallam came up from Cincinnati Wednesday, called by the death of her aunt, Mrs. Frank D. Bradley.

Mrs. W. H. Riddle, Mrs. Clyde Thomas, Mrs. Harry Christopher, of London, Mrs. Cheney Burnham, of Columbus, were motoring guests of Mrs. Frank C. Parrett Wednesday.

Mrs. Madison Pavey, who has been ill at the home of her son, Mr. C. C. Pavey, in Columbus, has been very low the past few days.

Mrs. H. E. Cherrington, of Columbus, is the guest of her sister, Mrs. Frank C. Parrett, Mr. Cherrington joining her to spend Sunday.

Hon. and Mrs. C. A. Reid were visitors in Columbus Wednesday.

## HAS TWO THIRDS OF ALL DIAMONDS

The Treasury Department in announcing the record-breaking customs receipts taken in at the port of New York in the month of March points out that at the present time two thirds of the precious stones of the world, especially diamonds, are now owned in this country.

What this means of course, is that this proportion of all the stones which had been brought here. Nobody apart from those on the inside knows the value of the diamonds in the possession of the De Beers Company, a South African concern which is interested in seeing that the market is not flooded with the products of its mines to the extent of bringing down the price.

Besides the richness of certain great deposits recently discovered is still uncertain. But there can be no doubt that the present great demand on this side of the Atlantic will result in the absorption of a large part of the reserve stock.

Prices of diamonds have gone up some 600 per cent since the year before the war in view of the fact that they serve many purposes, they have appealed particularly to the new well-to-do among the Western farmers and laborers. Thus they are ornamental, are symbols of prosperity, are easily taken care of, are no subject to deterioration and can be sold readily.

Amsterdam is still the seat of the diamond cutting industry and chief distribution point. But owing to the fact that the center of gravity of the trade has been shifted there is no knowing what changes may be brought about as a result of the main market being on this side of the Atlantic.—New York World.

## NEW HATS FOR FORMAL AND DRESS WEAR

Here are two smart hats for the woman who attends afternoon receptions and formal bridge parties. The hat above is a large picture shape made of black lace over which is draped black tulle. A wide flange of the tulle softens the brim and a wreath of small, delicately colored roses encircles the crown, forming the only trimming. This hat is very effective with either a dark or light gown.

The small turban shape below is of black lisere straw. It is artistically trimmed with curled ostrich plumes which fall fluffily over the side. One is gracefully arranged so that it droops from the back over the neck or right shoulder. This hat is better than the large

one for the afternoon bridge and may be made up in any color or even in contrasting colors.

## WAYNE HIGH CLASS WILL PRESENT PLAY

"Son John" a comedy in four acts is the title of the play to be presented by the senior class of the Wayne township high school at Wayne Hall in Good Hope on the evening of May 15th.

The play is a story of newly rich Texans who go to New York to visit their educated and famous son. No end of fun is brought forth by the experiences of the "Oil Kings" in the city and the complications which result. Incidentally the fact is brought out that true worth lies not in what people seem to be but in what they really are.

While the graduating class is composed of five members, Ho Fountain, Martha Eckle, Grace Smalley, Doris Gife and Dwight Free, they will be assisted in the presentation of their play by several lower classmen who have taken part.

The cast selected is as follows: Iman Rogers, a Texas farmer who has struck oil.

Merrill Whitmer, Joy Rogers, his wife, Martha Eckle, John Rogers, their son, a famous violinist, Dwight Free, Richard Rogers, their younger son, Willard Rutledge, Lake Lindsey, their neighbor, Carroll Free, Sofia Lindsey, his wife and boss, Glenna Osterle, Phyl Lindsey, their daughter.

Dorris Rife, Robert Dwinney, John's New York friend, John Peters, Bonnie Burton, Robert's fiancée, Dorothy Rodgers, Geraldine Van Alstyne, John's promised wife, Grace Smalley, Mrs. Van Alstyne, her mother after the money, Ho Fountain, Wordna Howard, a friend of the Rogers family, Florence Smalley, Lena Moore, John's selection.

Nellie Day, Mademoiselle Meriski, John's violin instructor, Miriam Jones.

## CARRIER PIGEON STOPS AT CHERRY

When a traveling man went to his room on the second floor of the Cherry Hotel Wednesday evening he found a carrier pigeon perched on the back

of a chair. Closing the window he caught it and saw that it had a band around its leg with a registered number.

It happened that the traveling man is a fancier of pigeons and took it to his home in Columbus where he has several varieties of the birds.

The pigeon made no effort to get away and appeared very weary.

## FORD LEAVES ROAD THREE MEN INJURED

Three men, who gave their home as Columbus, were painfully hurt Wednesday evening near Madison Mills when their Ford automobile ran off the road and smashed into the fence. The driver of the car was hardly able to walk while the others were badly bruised and scratched. The machine was almost a total wreck when taken to a Bloomingburg garage.

Citizens who saw the accident say that the men were intoxicated and were riding at breakneck speed when the accident happened.

Mayor O. W. Creath, of Bloomingburg told the men to pass on when they loitered around that town after the accident.

Go slow and the other fellow may beat you to it.

## GOLDES MANAGER FORWARDS LINEUP

Manager George J. Heitzler, manager of the Goldes baseball team of Cincinnati, scheduled to play here on next Sunday afternoon, has forwarded to Carl Noon, of the Washington Athletics, his battery for the game and also the lineup which he will use. Heitzler states that his team has defeated Potters Tramps, Bellevue, Richmonds, and a few others this spring. His lineup will be the same one that has won the pennant in the Queen City League for the past five years playing under the name of "The Dolly Vardens." Mueller, marked down for the pitching assignment, pitched his team to the pennant in the Cincinnati Semi-pro Association last season.

Eleven ball players will be with Heitzler on trip. They are: Schweitertman, rf; Meyers, 2 b; Winger, lb; Wasteny, c; Decker, ss; Derrick, if; Boerger, 3b; Nelhaus or Dehner, cf; Mueller and Schmalz, p.

## BROOKS WRESTLES SHOW SUBSTITUTE

Bill Brooks, well known to wrestling fans, took a hand in the activities of the athletic show appearing here with the Superior Shows and stayed twenty-five minutes with John Lucas, a 180 pound soldier from Camp Sherman, substiting for Ollie Olson Wednesday evening.

Olson has not appeared in the show since his meeting with Hillery Tuesday night.

Lucas was formerly with the Superior Shows before entering the service.

## WILL MEET HERE ON RATE PROBLEM

Officials of the Washington Gas & Electric Company, from Chicago will be in this city within the next day or two, it is understood, for the purpose of conferring with legal representatives of the city concerning the gas and electrical rates with a view to reaching some decision that will be agreeable to both the company and the city.

Considerable importance is attached to the conference.

## JUNKERS HAVE ARMED GUARDS

(By Associated Press)

Berlin—(By Mail)—Some of the German Junkers of Pomerania are employing armed bodyguards to protect them after the example of their medieval forbears and some of these guards even have machine-guns, says the Vorwaerts. The paper adds that for this purpose the Junkers are enlisting former German Baltic troops and that recently some detachments of these troops have been marched through Jarmen and distributed over the estates of three of the aristocrats nearby.

The good intentions ground out by political machines ought to make excellent paying material.

### Fatal Fat

Unhealthy Fatness Shortens  
Life. Reduce Weight

Would you like to reduce your weight 10 to 60, or more, pounds in a simple, safe, comfortable way? Do you want to be healthier, to look younger, to be sprightly, to be more efficient, to possess a good figure without wrinkles or flabbiness? Then stop harmful drugging; do not follow starvation diet or tedious exercising, but adopt the delightful, guaranteed, Korein system.

Stand by your window or in the open air each morning and evening, taking deep breaths. Use oil of Korein and follow other simple directions of the system.

You will reduce your weight, or receive a forfeited cash under \$100 guarantee. Get a small box of oil of Korein (in tablets), now sold in drug stores at lowest before-war price, or write to Korein Company, NB-69, Station F, New York City, for free book, "Reduce Weight Happily." Amaze everybody by attractive figure, vigorous health and personality. Show others this adv't.

### Weak Women

If you are Tired, Over-Worked,  
Run Down, Vinol, our Cod Liver  
and Iron Tonic, will help you.

#### Mrs. Hatcher Says So

So, Pittsburg, Tenn. — "I was in a weak, run-down condition, no appetite and could not sleep. I teach school and could hardly keep around. A friend told me about Vinol and it stopped my cough, gave me a good appetite and built me up so I feel stronger in every way." — MRS. C. F. HATCHER.

Women who are run-down, nervous, lack energy and working strength should take Vinol as it contains Beef and Cod Liver Peptones, Iron and Hypophosphites, the very elements needed to restore a lost appetite, enrich the blood and create strength.

### Three Drop Corn Killer

"Gets-It" Stops Pain Immediately  
and Corns Go Quick.

The way to handle corns in the tried and proved "Gets-It" way—the way that millions have found quickest, easiest, safest and most reliable.

A few drops of "Gets-It" knocks the hurt out of any corn at once and soon loosens it so it lifts right off without any feeling. Oh, what comfort! How grand to walk and dance and jump without a single twinge! Why not?

"Gets-It" is the never failing, guaranteed money-back corn remover, costs but a trifle at any drug store, Mfg'd by E. Lawrence & Co., Chicago.

Sold in Washington C. H., and recommended as the world's best corn remedy by Brown's Drug Store, Blackmer & Tanquary and C. S. Faver.

### SEE REDUCTION IN SILK, COTTON AND WOOLENS

(By Associated Press)

Chicago, May 6.—A general reduction in the price of cotton, woolen and silk goods within the next few weeks was predicted here following an announcement of a local silk dealer that he had sold 3,000,000 yards of bolt silk at reductions ranging from 50 cents to \$2 a yard under the prevailing prices.

The sales included all lines of manufactured silks. One State Street merchant said that the backward spring and tightening of money would force stores and manufacturer, in many cases overstocked, to slash prices to liquidate.

He predicted that a drop in the textile lines would be followed by reduction in food prices, as all markets run somewhat together in raising the lower prices.

### FRESHMEN SWAMPED BY THE SOPHOMORES

The first appearance of the Freshman baseball team was in the nature of a track meet for the Sophomores at Sunnyside Park Wednesday evening and was a wholesale victory for the higher classmen, 39 to 10.

"Newt" Browning was on the mound for the Freshmen and although he was not freely hit his wildness forced in somewhere in the neighborhood of a dozen or more runs. His support was of an untrained sort.

"Cy" Willison had little trouble and forked over a few lefthanded slants for the Sophomores.

The last game of the week is scheduled for Friday evening and will bring together the Sophomores and the Juniors.

The lineups.

Freshmen—Baker, c; Browning, p; Miller, 1b; Davidson, 2b; Snyder, ss; Geibehaus, 3b; Kinon, lf; Turnipseed, cf; Severs, rf.

Sophomores—DeWees, c; Willison, p; Hitchcock, 1b; Stewart, 2b; Dorn, ss; Woods, 3b; DeLong, lf; Case, cf; Wade, rf.

### "You Know Me"

—Barney Oldfield

Of all the tires that meet your eye in the market place today, there is one whose builder you really know—personally, perhaps; surely by reputation. That tire builder is Barney Oldfield.

For 20 years Barney Oldfield raced to win, yet his methods were always fair. No blot mars the record of his sportsmanship. Nor has he ever lent his name or support to any questionable article or enterprise.

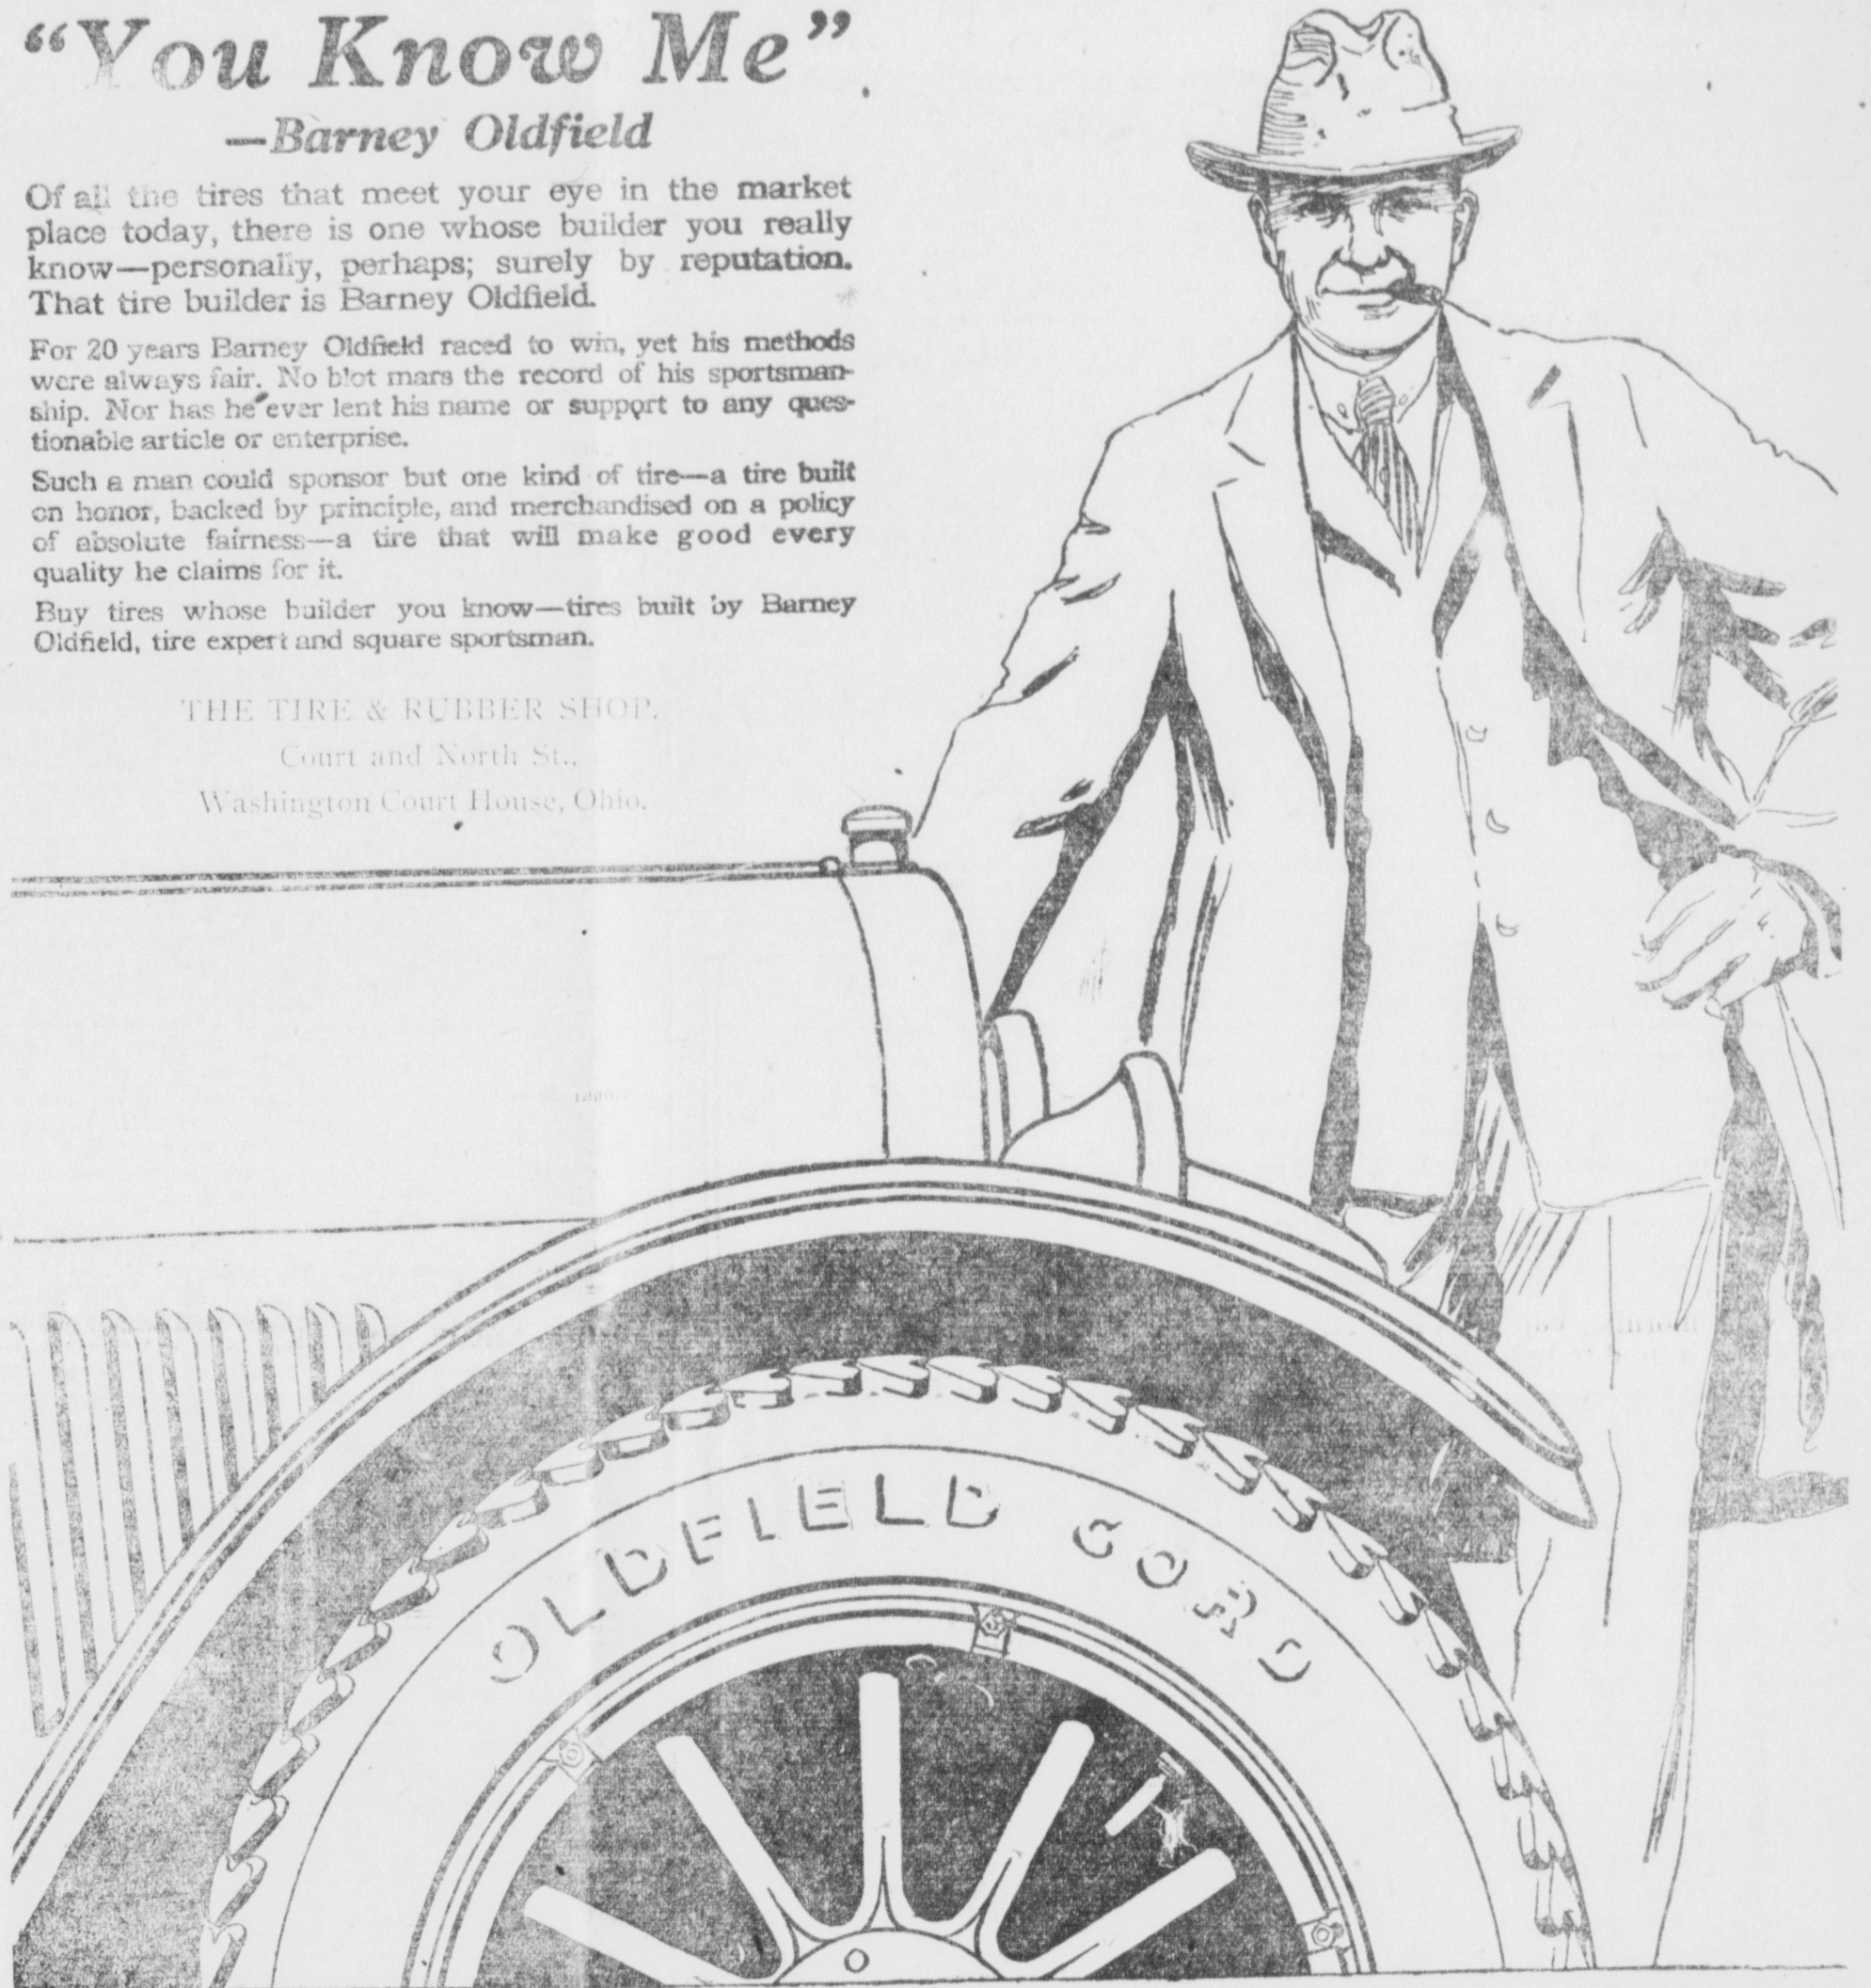

Such a man could sponsor but one kind of tire—a tire built on honor, backed by principle, and merchandised on a policy of absolute fairness—a tire that will make good every quality he claims for it.

Buy tires whose builder you know—tires built by Barney Oldfield, tire expert and square sportsman.

### HOTEL FOR BOYS PLAN OF CHICAGOAN

(By Associated Press)

Chicago, May 6.—The stray boy who for dinner flutons his nose against the bakery window and who at night sleeps with grown-up tramps in the park on in the back alley shed, will come upon better days if the plan of George W. Brown, of Chicago, works out.

A hotel for boys, to be operated so far as feasible by boys, and fitted up in a way to attract the youngsters who find himself in vast Chicago temporarily or permanently without a home, is the idea of Mr. Brown, who for a decade has given most of his time to volunteer work among homeless boys. His work has brought him in touch with juvenile court officials in many cities and he has enlisted their support in his efforts to obtain a "transient hotel for boys" between the ages of 14 and 17. Joseph Tumulty, the president's secretary, a schoolmate of Mr. Brown, has lent his aid to some of Mr. Brown's boy betterment schemes.

### CIGARET DEALERS TO PAY MORE TAX

Dealers in cigarettes are required to make return by May 24 and to pay the license tax by June 1. Failure in either case renders the delinquent liable to have the tax quadrupled as a penalty.

Under the new legislation, the tax this year is increased from \$15 to \$50 for retailers and \$30 to \$200 for wholesalers. A check of those dealers liable for such tax returns has begun at the auditor's office.

### SAW HITS SHELL IMBEDDED IN LOG

(By Associated Press)  
Vanconver, B. C.—(By Mail)—A great log, that appeared sound and clean, cost a mainland sawmill \$250 this week. When the big circular saw bit into the timber it flew to pieces, and investigation showed a 25-pound shell imbedded in the center. The tree had been brought from a point up the coast and had probably been used years ago as a target for guns of British naval ship cruising on the Gulf of Georgia. The shell is of the type used by the navy about 25 years ago.

# KANTLEEK

A Rexall PRODUCT

**It Can't Leak, Because It's Made in One Piece**

EVER been scalded by a leaking hot-water bottle? This can't happen with a Kantleek.

Kantleek Hot-Water Bags can't leak. They are "one-piece" water bags—moulded from pure soft rubber into a single piece—no joints or seams. Most hot-water bottles are made in sections and cemented. Cement cracks—bag leaks!

We guarantee a Kantleek for two years—or a new bag free.

Ask to see the Kantleek. You may need it tonight.

## YEARLING BOAR BRINGS \$2,000

Sale of a yearling pure bred Hampshire boar has been made by C. J. Bitzer, raiser of pure bred Hampshire hogs near Bloomingburg to F. E. Silver, of Chubril, Iowa, for \$2000.00

The hog was shipped to the Iowa fanner the first of this week and ranked as one of the best of the Hampshire breed ever going out of the state. It is decidedly out of the ordinary for a yearling to be sold for the price paid for this hog and is another indication that Fayette county is becoming a world market for the best in Hampshire.

C. T. Bitzer and Son have spread their fame for breeding fine Hampshire hogs by the quality of the animals produced and their farms are becoming a mecca for hog raisers of the country.

## SUMMER PROGRAM PLAN OF Y. M. C. A.

It is planned by General Secretary P. L. Fraser of the Young Men's Christian Association, to make the "Y" as attractive a place in the summer as it has been during the past winter and a hot weather program is now being worked out to be put into effect as soon as practicable.

Duck pins have been ordered for the bowling alleys and the new game will be initiated for the summer months. It is planned to run a refreshment stand in connection with the alleys.

Horseshoe pitching is an innovation planned for the Association members and the vacant lot in the rear of the building will be cleared of debris and refuse and transformed

into a horseshoe court. Space for a number of players will be provided. Flower beds will be placed at convenient corners of the lot and the same methods will be used to beautify the front of the property.

## HESSIAN FLY NOW EMERGING

The spring brood of Hessian flies commenced emerging from early sowed wheat in Central Ohio on April 18. Owing to the backward condition of the wheat due to the spring weather, the damage from the spring brood of flies promises to be unusually heavy. The maggots of this insect are expected to commence their work on the young wheat early in May. The damage is expected to be greatest in early sowed wheat but will be present in all wheat.

"These points will not be forgotten by Ohio farmers in sowing their wheat crop this fall. The Hessian fly is controlled only by cooperation in time of sowing," says T. H. Parks, extension entomologist of the Ohio State University.

## LONDON IS DARK PLANT LACKS FUEL

London, Madison county, is entirely without light and without power, with little prospects of a change of affairs for more than a week, due to the city electric light plant being without fuel. All business depending on the current is temporarily suspended.

Citizens are using candles and kerosene lamps to illuminate their homes while there is a big demand for gas mantles and gas fixtures.

Many homes are being fitted with the new self-lighting gas burners and it is said that these will continue to be used even after the electric plant is again in operation.
